

Please, come and see the Monchiero 2090 Harvester at work on the

FIELD DAYS

27TH JUNE 2011

2pm NSW

*Tim Reilly's Orchard @ 173 Victoria Park Road,
Dalwood, New South Wales*

29TH JUNE 2011

10am QLD

*Gympie, 881 Wilsons Pocket Rd,
Wilsons Pocket.*

30TH JUNE 2011

10am QLD

*"Bonmac" Bongioletti's Rd,
Moore Park Via Bundaberg*

The Monchiero harvester operates on a mechanical pick up, the harvester is effective, efficient, and easy to handle. We are currently harvesting 1.5 tonnes per hour with the 2090 model.

Massimo Monchiero and Allen Morgan will be at hand to answer any questions about the harvesters.

ANZ finance specialists, Sonia Ryan & Brian Seccombe, will also be available to talk about all of your agribusiness options.

If you have any questions regarding the field days please contact Allen on 0439 404978 or (07) 54867478 or email aljomorgan@hotmail.com
